ABOUT THE INITIATIVE

In order to recognize the initiators of innovative work and achievements across Metal, Plastics, E-waste, Paper, and Tyre recycling industries, we proudly announce the 4th edition of the Plastic Recycling Awards 2025, now expanding its scope to cover these key recycling sectors.

The objective of these awards is to motivate industry leaders to enhance their contributions towards sustainability, innovation, and environmental responsibility. The awards will acknowledge companies and institutions who have demonstrated exceptional work in recycling, waste management, and circular economy initiatives.

Nominate your organization in as many as 10 categories and be part of this prestigious ceremony.

30 awards across 10 categories will be presented to outstanding contributors in the recycling sector.
